**Subject:** Internship Offer for Frontend Developer Role

Dear Candidate,

Congratulations! Based on your outstanding performance in the **Datavalley learning portal**, we are pleased to offer you an internship as **Frontend Developer – Intern** with **Datavalley inc.** We have been monitoring every student's progress and usage of our portal, and few students stood out, and you're one of them. Below are the internship details for your clarity

**Internship Details:**

- **Position:** Frontend Developer Intern
- **Internship Period:** September, 2025 to January, 2026 (3 months)
- **Mode of Work:** Remote/work from home
- **Stipend:** 5000 per month
- **Reporting Manager:** Mrs. Shreyanshi Sharma, Recruiting manager

During your internship, you will:

- Collaborate with our frontend development team to design and build user interfaces.
- Implement responsive web designs using HTML, CSS, JavaScript, and React.
- Participate in code reviews, daily stand-ups, and knowledge-sharing sessions.

Please confirm your acceptance of this offer by replying to this email within **3 working days**.  
Upon confirmation, our HR team will share your joining formalities and onboarding instructions.

We look forward to working with you and wish you the very best in this journey.

Warm regards,

Mrs. Shreyanshi sharma,  
Recruiting manager,  
Datavallet inc.
